Supply List

2009-2010

Parents, please note:

****Due to space restrictions, please do not purchase trapper keepers as 3 ring binders**

****Your child will not need a "rolling" backpack. They should not have an amount of homework that warrants "luggage". Rolling backpacks can be a safety issue. They take up extra bus seats, trip people in the hallway, won't hang on a coat rack and are under foot in the classrooms. They also cause our students to walk with a twist and provide one more place to hide those items that shouldn't be at school. **Note: Students should not wear "heely" shoes per the district code of conduct.**
