**Important Notice from Flagler County School District About  
Your Prescription Drug Coverage and Medicare**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Flagler County School District and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Flagler County School District has determined that the prescription drug coverage offered by the Blue Cross Blue Shield Plan and Florida Health Care Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered Creditable Coverage.

---

**Because your existing coverage is on average at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from November 15<sup>th</sup> through December 31<sup>st</sup>. This may mean that you may have to wait to join a Medicare drug plan and that you may pay a higher premium (a penalty) if you join later. You may pay that higher premium (a penalty) as long as you have Medicare prescription drug coverage. However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a sixty (60) day Special Enrollment Period (SEP) because you lost creditable coverage to join a Part D plan. In addition, if you lose or decide to leave employer/union sponsored coverage; you will be eligible to join a Part D plan at that time using an Employer Group Special Enrollment Period. You should compare your current coverage, including which drugs are covered at what cost, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

**If you decide to join a Medicare drug plan, your Flagler County School District coverage will not be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.**

If you elect to join Medicare Part D, you can keep your coverage with BCBS/FHC and they will coordinate with Medicare Part D. Your coverage through Flagler County School District would be Primary with Medicare D as Secondary. There is no discount with your Flagler County School District Plan if you decide to enroll in Medicare D. You should review the cost to be enrolled in both to determine if it is cost effective to you.

**If you do decide to join a Medicare drug plan and drop your Flagler County School District prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back.**

If you drop your coverage with Flagler County School District and enroll in a Medicare prescription drug plan, you may not be able to get this coverage back later. You should compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

If you are a Retiree and you drop your medical plan which includes your prescription plan with Flagler County School District you **will not** be able to re-enroll at a later date.

If you are a Current Employee you can make changes each year **during Open Enrollment in May** with changes becoming **effective September 1<sup>st</sup>**.

Please note that your current coverage pays for other health expenses, in addition to prescription drugs, and can not be separated out, therefore if you cancel your plan with Flagler County School District you will not have health insurance for other expenses.

You should also know that if you drop or lose your coverage with Flagler County School District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage; your monthly premium may go up by at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until next November to join.
